RE: Comments to USEPA's Proposed *Federal Implementation Plan Addressing Regional Ozone Transport for the 2015 Ozone National Ambient Air Quality Standard, 87 Fed. Reg. 20036.*

ATTN: Docket ID No. EPA-HQ-OAR-2021-0668

Dear Administrator Regan,

The Arkansas Environmental Federation ("AEF") is a non-profit association with over two hundred company members, primarily Arkansas businesses and industries that manufacture products, provide services, and employ skilled workers in Arkansas while also ensuring that their operations comply with federal and state environmental, safety and health regulations. AEF provides training for environmental professionals and advocates for balanced and reasonable environmental policy. As such, AEF provides comments on EPA's *Proposed Federal Implementation Plan Addressing Regional Ozone Transport for the 2015 Ozone NAAQs, 87 Fed. Reg. 20036.*

AEF company membership is varied and diverse, with varied permits, interests, and endeavors. As such, AEF submits these comments in support of these varied commentors. AEF does not adopt these comments. Our support of these entities' comments demonstrates our vast reach of facilities in Arkansas and our interest in the preservation of the state's commitment to preserving the environment. AEF supports the following comments submitted to EPA:

Arkansas Department of Energy and Environment
Arkansas Electric Cooperative Corporation
American Forest and Paper Association
Entergy Arkansas

National Council for Air and Stream Improvement
The McQueen Firm PLLC on behalf of Select Tier 2 AR Sources
Midwest Ozone Group

In the limited time available for evaluation, the AEF chose to comment in support of members and associations. While the AEF does not adopt these comments, AEF supports these commentors. The above-mentioned comments were developed by AEF members or in collaboration with AEF members.

Sincerely,

A handwritten signature in black ink that reads "Ava F. Roberts". The signature is fluid and cursive, with the first name "Ava" being the most prominent.
